

2017 Off-Road Cup Details!

Sign Up - All RACERS need to come to Sign Up to sign waivers, pick up your packets (contains your team “baton”, number plate decals, rules, stickers & rider giveaway) & get your transponders programmed! This works best when all members of the team are together! Go to the FLY easy up first & then to the red scoring trailer. **BRING YOUR HELMETS!** If you need a transponder, bring \$10! We will open Sign Up by 2pm on Friday and stay open until 9pm or there’s no one left standing around! We will open again on Saturday by 6:30am until 7:30am. Please keep in mind that we have to start the race at 8am Saturday to keep everything on time! It is very important that you come to Sign Up ASAP when you arrive on site! We will not hold up the start of the event just for you!

Pit Area – There will be absolutely NO parking at your pit area! No cars, trucks, vans or trailers in the pit/rider exchange area...not even on the outside pits – none, zip, zero! Each entry has been given a 10 foot wide “stall” where rider exchanges and gas stops will take place. Every entry has the same size pit area which will be designated with your team/rider pit sign. There are 3 pit lanes and the pit stalls are organized first by class and then by series. Do NOT move pit signs to change your pit area - they are set up where they are for a reason.

Practice – There is NONE! Absolutely NO pre-riding! You can walk the track and/or ride your mountain bike, but there are NO motorcycle tracks of any sort allowed on the course before the race (this includes pit vehicles)!

Facility – Gates will be open starting on Thursday. You can camp Thursday, Friday and Saturday nights! LOTS of RV hookups available! For RV reservations and all other “facility” information, please contact D-Day Adventure Park at 918-666-3411 or visit their website at www.ddaypark.com.

Race Track – Around 9 miles & mixture of new trails, established trails, fresh cut, single track, logging roads, ravines, buildings and helicopters.

Other – Concessions will be available and there are shower houses on site. Trackside Supply will have their parts trailer there on Friday & Saturday for all your weekend parts needs! Custom Outfitters will also be on site with their custom trailer for you to tour/check out. Although previously announced, TBT will unfortunately NOT be on site.

****ALL** pets must be kept on a leash & at your vehicle in the parking area – NO pets allowed in the pit area, at the start, or anywhere near the race track!!!! This has been a problem in the past, let's not make it one this year! It is the rider's responsibility to ensure that their pit crews & spectators know the rules at this event.**

Directions –

From Joplin, MO – I44 exit 4. Follow 43 South to Hwy 60. Go West on Hwy 60 for 1 mile. Turn left onto Cayuga Rd (Indigo Sky casino on the right). Follow blacktop about 6 miles to D-Day.

From Tulsa, OK – I44 exit 302. Follow Hwy 60 East and go right on Cayuga Rd (Indigo Sky casino on the left). Follow blacktop about 6 miles to D-Day.

We've been asked to share GPS coordinates (LAT 36 degrees 45 min 37.82 sec N, LONG 94 degrees 40 min 19.83 sec W). Please keep in mind that several people used GPS to get to the site last year and ended up on twisty gravel back roads to get there. We strongly encourage you to find the Indigo Sky casino and then follow arrows for about 6 miles to D-Day!

Looking forward to seeing you April 15th for the 7th annual Off-Road Cup!!!!
